

Teach your parent....

1. All about London. Tell them about the landmarks that you might see. Can you draw one and write about it?
2. About the United Kingdom. What are the countries? Can you draw and colour the flags?
3. About capacity. Can you fill some containers and order them to show which holds the least to the most?
4. About different animals. Can you draw a mammal, a reptile, a bird, an amphibian and a fish?
5. About Kandinsky. Can you draw some artwork using different shapes?
6. Use your hand or foot to measure 5 different objects in your house or garden.
